

Rose Sawatzky
Competitions Stream Candidate
Morden, Manitoba

Rose has been playing pickleball for three years. Her game has quickly ramped up with countless hours of drills and training and playing in tournaments across Canada and the United States. In 2019 she won more than 23 gold medals including the 5.0 Open in woman's doubles at the provincials in Red Deer, Alberta

In 2018, Rose completed the International Pickleball Teaching Professional Association (IPTPA) course. She is active in demonstrating the core aspects of the game. Rose has taught clinics to adults of all ages throughout the prairie provinces and into North and South Dakota. Her expertise in teaching includes encouragement during performance of drills, while detecting and correcting technique. Rose has also developed programs for children ages six through seventeen in her local community.

Meeting players, playing with or against them, growing the game and having fun is the best part of pickleball. Pickleball is Rose's passion with her dedication to teaching, developing programs for each skill level, and drills to improve the game of pickleball. Players are always excited about the game wherever she goes.

In 2019, Rose became Vice-President of Pickleball Manitoba and she looks forward to many more years of helping to grow the great game of pickleball.

Paddle up, and let's play.
