Presidents Message - Dave Shepherd

The Pickleball Canada Annual General Meeting was held in Kelowna on June 14th 2013. The meeting was well attended with some members attending through the use of Skype. All the reports from Committee Chairs were read and approved. Three of our directors, Bev Butt, Bill Canning and Larry Evans have retired and on behalf of the Board, I would like to thank each one of them for their major contribution to Pickleball Canada since the early years of PCO. Ed Burke has retired as Newsletter Editor/Publisher after three years. He will stay on as a Board Member.

Two new Directors were elected. We extend a very warm welcome to Denise Griffin from Chilliwack, BC who has been quite instrumental in helping the growth of pickleball in Chilliwack and surrounding communities. We also extend the same warm welcome to Merrie Lee from North York, Ontario. Merrie is one of PCO’s Area Ambassadors in Ontario and is very active in getting new senior and drop-in pickleball programs established in her area of North York. Denise has volunteered to take on the role of PCO Newsletter Editor/Publisher and Merrie is our new Membership Chair. We thank Denise Griffin and Merrie Lee for taking on these important and challenging positions and welcome them to the Board.

PayPal has been implemented on the PCO website to make it easier and quicker to pay online as a new member or a renewal. Of course, membership applications and renewals can still be mailed in.

Thank you to all the 230 registered participants who attended the 2nd Annual Pickleball Canada National Open Championship which was held in Abbotsford, B.C. on July 6 - 7 2013, a record turnout in support of the 2013 National Open. We also sincerely thank the City of Abbotsford, Mayor Banman, all our generous sponsors and the close to 50 volunteers and referees who helped to make it a resounding success.

In Canmore, Alberta; work to upgrade and convert an outdoor skating rink into a multi-use facility, designed to accommodate three long-awaited pickleball courts, was completed on the 12th of June. The local group of senior pickleball enthusiasts managed to get in just three scheduled sessions in the sunshine below the towering, scenic peaks of the overlooking Rockies, before Mother Nature struck a mean blow! Nature struck merely one week later!

The tragic flooding of the near-by Cougar Creek which, unfortunately destroyed several homes along its route, did not spare the newly-upgraded multi-use facility. The photo on the left shows the first day of play on the courts with the Three Sisters’ Peaks in the background and the banner advertising the new venue for the sport. The pictures below show the aftermath of the flooding. Very disappointing sudden turn of events!

BEVERLEY BUTT  "THE FIRST LADY OF PICKLEBALL"

In Memory

As I am sure you are all now aware, our good friend Bev lost her brief and courageous battle with cancer and passed away peacefully on July 1st, with her family at her side. As a founding member of Pickleball Canada, Bev played a huge part in the growth of pickleball in Canada. The entire pickleball community has lost a great Ambassador. She was a very active member of the Board of Pickleball Canada and her thoughtful input on all matters will be greatly missed. Bev learned to play pickleball at Venture Out Resort in Mesa, AZ in 2003. She was a great athlete and pickleball player herself, and won gold medals in singles and mixed doubles that same year in the Arizona Senior Olympics. She was hooked on pickleball from that day on! She thrived on teaching beginners and putting on demos wherever she was and especially in her home province of Saskatchewan. More than that, Bev was a wonderful human being, always there to help others. and she valued her happy family life above all. Our deepest sympathy and condolences go to her husband Dave and son Shane, at this time of deep personal loss.  Dave Shepherd, President

An extract from a letter to the PCO Board of Directors written by Bev:

"So appreciate each day of life. If you live it as if it is your last one, then one day you'll will be right. Love yourself and love each other! A sign hangs in my kitchen that says Life is Uncertain. Eat dessert first. That's a good motto. When you wear purple, that's my favourite colour!

Love and hugs to everyone and keep on playing and enjoying pickleball.

From Dave (husband) and Shane (son)

Thanks so much for the awesome flowers - Bev's favourite thing. She wrote "Awesome" on everything for the last two months. Everything positive. We have all her last notes - there is nothing but positive. It's a good way to be.

There have been so many tributes from around the world that talk about her contribution to the lives of so many. The newspaper articles I am finding in so many things have been amazing. You can't believe what she has done to help so many kids get through university when they may have ended up on the street.

Shane, Don, Mary, Linda, Laurie, Keirsten, Sarah, and Bruce and Laurel have been so helpful the last weeks. The neighbours have come in droves to support and send poetry, flowers and hugs.
I have been going through the files and finding so many articles in the news that I didn't know about. How about the Sask Woman of the Year and nomination for the Order of Canada. You should all be proud of this woman.
Pickleball Bouquets

On behalf of pickleball players across Canada and the USA we would like to thank Dave and Shirley Shepherd, President and Secretary of PCO and Tournament Directors for the Nationals. Dave and Shirley have created a unique opportunity for the development of competitive pickleball in Canada. They have set the bar and lead by example both in leadership and support through the donation of time, knowledge and commitment. Thanks so much Dave and Shirley!!

Junior Event Comes to the Nationals - Featuring our Youngest Competitors

Brayden Latray is 10 years old & Samuel Brittain is 11 years old. They thought the Canadian Nationals setup was really great and were very excited to play in their very first tournament. They were both a little nervous, but once they got playing, they quickly settled down and had a lot of fun, making many outstanding soft shots and powerful slams. A favourite moment during the tournament was one rally where the young partners dinked the ball back and forth with eventual gold medal winners Spencer Loughlin and Jimmy Ahn, approximately 50+ times before eventually losing the point! Brayden started pickleball about a year ago when father Gene, brought him to A.R.C. for an evening game. Samuel was introduced to pickleball 2 years ago by his dad Grant (owner of Pickleball International.) Samuel always had his eye on the new paddles his dad sold, and would take any opportunity to play in the front driveway with his dad or brothers. Brayden & Samuel have played a lot of outdoor games in Abbotsford and Chilliwack. Recently both boys helped out with a family day sports expo where they demonstrated pickleball to other young folks in Pitt Meadows. They love the chance to demonstrate pickleball and are constantly being Jr. Ambassadors of the sport.

This year at the Nationals a new category, Jr. Doubles for players under 18 years of age was introduced, which allowed Samuel & Brayden to partner up and take (Continued on page 10)
A first for Northern Alberta—the newly formed Parkland Pickleheads Club Open Outdoor Tournament was held June 22/23, complete with bright sunshine! The event, which featured doubles and mixed doubles rated play, drew in competitors from around the tri-county and plenty of curious spectators. Kudos to Tournament Director, Greg Srogen and Tournament Registrar, Cathy Fuller, who ran a smooth and very well organized fun event. “The club really came together and we really learned on the fly how to run a successful tournament so that we become even better the next time around,” said organizer and founding member, Della Bass.

Organization was evident, as Parkland Picklehead Club members volunteered to referee and act as linesmen for the finals and Spruce Grove Minor Ball opened and ran a concession all weekend. Local Sports Editor for the Stony Plain Reporter/Grove Examiner, Gord Montgomery came out to cover the event and featured an article in the Friday, June 28th edition.

Pickleball Canada Ambassadors for Alberta, Marg Ouimet and Linda Dane were participants in the tournament and would like to congratulate the Parkland Pickleheads Club on the success they have achieved in one short year!! “We can’t wait to see what they have in store for all the pickleball players in Alberta in the future!” Article submitted by Linda Dane

Samuel & Brayden lost their first game to eventual gold medalists Spencer & Jimmy, 15-8 and then lost their next game to silver medalists Brandon Kirk & Ryan Rizzo, 15-12. They want to encourage other jr. pickleball players to start playing so more tournaments can offer Jr. Doubles.

Rules Corner
Non-Volley Zone or "kitchen"
A reminder that the NVZ line itself is part of the zone.
If you volley a ball and your foot touches the line or crosses the line, you are committing a fault. If your momentum on the follow through in playing the shot forces you to touch the zone or line, this is a fault even if the ball has been returned or is a dead ball. If your serve lands on the NVZ line it is a fault. It is not a fault if you lean over the line to volley a ball providing you do not touch the court in the no volley zone.

Indoor pickleball generally uses badminton doubles lines. The badminton short serve line is generally used for the recreational pickleball NVZ line but is not the correct distance from the net. The pickleball NVZ line should be 7ft. from the net to the outside edge of the line. Remember, it is a fault if you or any part of your clothing or equipment touches the non-volley zone including the line.
When you are putting on a tournament, it is a good idea to tape a NVZ line the correct distance from the net.
