President's Message - Shirley Shepherd

With extreme sadness on June 27, 2015, my husband David Shepherd passed away peacefully in the Abbotsford Hospital after battling cancer for the last year. David was a very nice, kind, friendly, courteous and gentle man and a wonderful husband and my best friend. I will treasure the memories we have together. As the PCO President from 2012-2014, he helped PCO build a solid foundation. PCO will continue to grow and have great success in the future.

We regret that the 2015 PCO Annual General Meeting on July 20 has been postponed. We will reschedule the AGM for September and publish the date and time of the AGM in the August newsletter. We apologize for the inconvenience it may have caused.

We are glad to welcome Harold Osborne as the PCO Area Ambassador for Comox, B.C. Many thanks to Area Ambassador Karen Renfrew for organizing 116 members of the Sunshine Coast Pickleball Association to join PCO Club Memberships. Also thank you to Glenn Cho for organizing 83 members of Metro Vancouver Pickleball Club to join PCO Club Memberships.

We are very glad that PCO’s membership number has reached 2000! Congratulations to PCO member number 2000 Doug Thomson of Parkland Picklehead of Alberta, the winner of a one year free PCO membership.

We apologize for an error last month in posting the tournament points of the Kamloops Open Tournament. Tournament points update: Nancy Agassiz 400 points.

Our Newsletter Editor/publisher Denise Griffin has retired. We thank Denise very much for her hard work and dedication to PCO for the last two years. We are currently looking for a Newsletter Editor/publisher to takeover this position.
In Memory of Pickleball Canada President, Dave Shepherd

Dave could be found at the Abbotsford Recreation Centre playing pickleball, meeting with programming staff, chatting up fellow players, or making coffee post games. His passion for pickleball was evident behind the scenes as well -- all the demands of a volunteer Board member and President -- all the phone calls, emails, letters, documents to read and meetings to attend. Even when Dave was bedridden he continued to support and mentor the new President. We have lost a noble advocate for the sport of pickleball.

As pickleball players, we can carry on not just the love Dave had for pickleball but the spirit in which he did it ..... exactly the way Dave would have wanted it.

TRIBUTE TO MY HUSBAND DAVE SHEPHERD

I met my husband Dave Shepherd when I was 16 years old at a Laundromat in Vancouver. I was a cashier and he was a customer. I married him at the age of 19. We have been married for 42 years. We have a son Micheal and a daughter Julie. We raised our children and lived in Abbotsford for 35 years.

Dave has always worked as a sales manager in the car dealerships. He worked at Zehpyr Mercury and Dams Lincoln Mercury in Vancouver. He owned Abbotsford Datsun and New West Lincoln Mercury in New Westminster for a period of time in the 80’s. He worked for about 20 years at Halls Pontiac Abbotsford and more than 10 years at Murray GM Abbotsford.

Dave was always an energetic competitive sportsman. We played golf and tennis. He was an avid golfer, playing golf at North Bellingham Golf Course 5 times a week. His golf handicap was as low as 6 to as high as 12. Amazingly, he had 3 Holes in One in his lifetime. He has played golf in St.Andrews, Bandon Dunes, and the Chambers Bay Golf Courses.

Dave and I loved to play pickleball in the last 6 years. He was the President of Pickleball Canada from 2012-2014. He helped to build a solid foundation. I am now the President of Pickleball Canada and following in his footsteps to grow pickleball across Canada. Pickleball Canada will continue to grow and have great success in the future.

Dave and I spent our vacations in Hawaii and Mexico before we had children. As a family we travelled to Scotland and Hong Kong to visit our relatives. We also travelled to Europe and all over the United States.

Dave was a very kind, friendly, courteous, generous and good-natured man, a wonderful husband and my best friend. I will always treasure the memories we have together. A Celebration of Life for Dave will be held at Phoenix Lounge in Abbotsford on July 18 at 2-4 pm.
This month Pickleball Canada Organization would like to showcase Brian Parkes from Chilliwack, BC, who earned 2,400 tournament points in 2014.

Brian Parkes

The children had left home and started to have children of their own. We started to have time for ourselves so we decided to buy a 5th wheel trailer and truck plus a membership into Thousand Trails, a company which has many RV sites from Cultus Lake, BC to San Diego, Ca.

It was in this group of merry travelers that we discovered Pickleball.

The game quickly became a big part of our travel plans and so it seemed for most of our new found friends in that "Extended Family Of Pickleball".

We travelled the Pacific North West, Bend, Oregon and down to San Diego, Ca, playing Pickleball competitions everywhere.

We wintered in Palm Springs, Ca as Snow Birds, playing against some of the best in California and then later into Arizona were the competition was even stronger.

I have played through the changes in the game from the early "hit it hard and knock em off the court", to the "cat and mouse control game" it has developed into.

A disagreement on the court over a point was quickly resolved by simply replaying the point, now for anything that could possibly happen on the court, we have a Rule and a penalty.

I love this game! I have had success medalling in a number of tournaments, some have been gold but at the end of the day it was just another wonderful day playing Pickleball.

My wife Kathy and I both play in tournaments and sometimes together. Our children and grandchildren now play and we often have family Pickleball games at home (so lucky).

"PATIENCE AND PLACEMENT"
These were the key words from Greg Anderson of Peterborough, Ontario who plays at the Tuesday Y Club for 3.5+ players in Oshawa during the summer and Fall and in the Sarasota, Florida area during the winter.
Greg organized with the convenor, Terry

Photos:
#1 and 2- Greg Anderson, the teacher
#3 and 4 - Greg, the coach and player

Elliott, of the Tuesday Y group to do a Seminar Workshop combination for the members who were interested in participating in a 1 hour in-class + 2 hours on-court instruction + 1 hour regular play.
During the 1 hour in-class instruction, Greg used videos to point out good strategies; then, in the gym, he stayed on one court and the 17 participants rotated so that they each played one 5 minute game with Greg and at least
one 5-minute game in the opposite court. While playing on Greg's court, he gave encouragement, positive comments, and suggestions to all the players re: their strategies. On the other courts, while the players rotated every 5 minutes around the gym until they reached Greg's court, the players were encouraged to work on one strategy which they needed to improve.

Here are some of Greg's tips:
1. It's consistency of play and dinking successfully that separates a 3.5 from a 4.0.
2. Turn a hard shot into a soft.
3. Turn a soft shot into a winner: e.g., hard return shot down the middle
4. Your goal when dinking should be to make your opponent lift the ball/reach for it.
5. Position yourself in the right spot:

- When receiving the serve, the non-receiver should stand near the front tee to cut off the return.
- When serving, wait at the back line to see where your opponent returns the ball. It's easier to run up, then back.
6. When you are at the NVL, keep your opponents back.
7. Aim for the feet of your opponents, preferably soft to the feet.
8. Block hard shots and put the ball back at the opponents' feet, not necessarily hard.
9. Keep your paddle up and your knees bent in the ready position.

Being consistent with just one of these strategies over the next months is the challenge for the Tuesday Y members! It's one step at a time to improvement. Then on to the next! Right?

**RECIPE FOR FUN**

Ingredients:
* 1 or more children
* a dry day
* an outdoor tennis court (they are usually empty)
* a box of outdoor pickleballs
* one paddle per person
* sidewalk chalk

DIRECTIONS:
1. Take the above ingredients to your local outdoor tennis court.
2. With the sidewalk chalk and the children’s help, draw the lines for pickleball onto the tennis court.
   a) To mark the side lines, start at the tennis court’s centre line and walk 3 giant steps + 1 little step (10 feet) towards the tennis side lines. Mark that spot and then draw the pball side line from the net to the tennis front line. Do this on both sides of the centre line and both sides of the net = 20 feet approx.
   b) To mark the non-volley lines, start at the net and walk 2 giant steps + 1 small step (7 feet) towards the tennis serving line. Draw the NVL across from the pball side lines on both sides of the net.

Don’t worry about being accurate or changing the height of the net. You’re there to have fun and the experience of being with your child.

3. Teach the child how to hold the paddle, serve, volley, etc. within a fun game framework.

One great game is "Keep it going!" Count the number of rallies you make and try to surpass your highest score the next time you go out.

The game doesn't have to go to 11 points. Try going to 7 and then build up. Starting a new game brings new enthusiasm.

You will find that it is a good work out for you as well as you try to keep the ball in play.

4. Draw "alternate serving lines" closer to the net if the child can't serve the ball into the right court. With practice, those "alternate serving lines" will move back until they are eventually using the correct line.

Enjoy your time with your children and watch them develop the same passion you have for pickleball.

**VOLUNTEER REFEREES AND NVZ LINE JUDGES EASILY RECOGNIZED.**

At the May 30-31, 2015 Third Annual London Pickleball Tournament, the Referees and NVZ line judges wore blue midis, compliments of the Pickleball Association of Ontario (PAO), to help the players identify them as volunteers and/or officials at the games. The one-size fits all (because of the elastics at the waist) were easy to see by all and proved to be a great addition to the games. On the front is the PAO logo; on the back is the word, "VOLUNTEER".

These midis can be borrowed from the PAO. Delivery of clean midis and pickup of washed midis can be arranged by contacting Bob Cook-Abbott (PAO Board member) at cookabbot@rogers.com.

Help your volunteers be recognized by one and all!

Recently with some of the FIFA games being played in Winnipeg we were honored to be called by some of the Swedish media asking for us to teach them how to play PB. We are the group from the St James -Assiniboia 55+ Club that plays out of Sturgeon Heights Community Club. We have over 100 members playing there.

The media group were much younger than our 55+ group but absolutely loved the game. They commented on the agility of this age group and how speed the game, and in their words "we really appreciate your willingness to share your sport and welcome us to Canada".

They put the pictures on Twitter and sent a write - up back to the newspaper they worked for in Sweden,( the largest they said.)and plan to start playing when they get back home.

They are the 3 on the left side of the picture, Oskar Mansson, Kristoffer Bergstrom and kneeling in front Anna Tarnhuvnd with some of the Bronze group.

PCO Area Ambassador for Comox, B.C

We are very pleased to announce that Harold Osborne has been appointed as Pickleball Canada Area Ambassador for Comox, B.C. effective June 26, 2015. There are over 70 Area Ambassadors across Canada; congratulations on being part of this network of grassroots support for pickleball.

Pickleball is growing at near exponential rates in Canada and the membership of Pickleball Canada increases at a near daily rate. The growth of Canadian pickleball, and its success, is in significant measure attributed to the PCO Area Ambassadors who promote the sport, facilitate clinics and instruction, are instrumental in finding new playing venues - and on and on. We thank all our Ambassadors for their hard work and dedication in promoting pickleball in Canada!
The Fraser Valley Pickleball Tournament committee held a very successful "Battle of the Paddle" on June 26-28 with over 120 entries at the Pine Tree Recreation Centre in partnership with the Coquitlam Recreation Services. Thank you to all players and volunteers!

3rd National Pickleball Tournament successfully held at Panipat in India.

Maharashtra emerged victorious in the recently held 3rd National Pickleball Tournament held at Panipat, Haryana from 26th-28th June, 2015. Besides Maharashtra, teams from Haryana, Delhi, Bihar, Pondicherry, Jharkhand, Madhya Pradesh, Dadra Nagar Haveli (DNH), Mumbai and Rajasthan participated in this 3-day-tournament, which was conducted in the outdoor court of Shivaji Stadium in Model Town, Panipat.

Mayor of Panipat City Shri Suresh Verma gave away Medals to winners and every winning player got souvenirs from the hands of Chief Guest Bijendra Punia, President of Haryana Pickleball Association.

Atharva of Maharashtra was winner in the Men's Singles category where as Mahesh and Garima of Maharashtra were winners of Mixed Doubles. Over 150 players plus 50 officials and volunteers put their efforts to make this 3rd National Tournament a grand success.

The first tournament held in 2013 in Mumbai saw 125 players from 7 states whereas for the second tournament in the year 2014, there were 135 players from 9 states. So compared to last 2 tournaments, this year's participation was well spread and hence encouraging. The most highlighting aspect of this year's tournament was that every state team had Girls team of 5 players.

It's quite evident that Pickleball is spreading its wings all across the country.

This 3-day tournament was successful due to efforts taken by team of dedicated volunteers led by Shri Rajindra Deswal, Kapil Rathi and Deependra. The entire tournament was effectively monitored under able directorship of Shri Rahul Wani and his team lead by Chetan Kate and Krishana Gupta.

Haryana State Pickleball Association in collaboration with All India Pickleball Association jointly hoisted this 3rd National tournament, first and second being held at Mumbai in the years 2013 and 2014.

Doordarshan DD Sports Delhi took special efforts to cover all the final matches. Team lead by Mr. Soni came all along from Delhi to Panipat to cover the event. This was 3rd consecutive year DD Sports has lent its support to AIPA's National Tournament. Also, print media from Panipat, Indore and Mumbai also took serious note of this event.

Shri Sameer Dixit, Joint Secretary of All India Pickleball Association along with senior official of Delhi Doordarshan Shri Ganesh Iyer and well-known Media Consultant, Shri Nitin Sethi were the chief guest for this sport extravaganza. Sushant Joshi, Chairman of National Executive Council of AIPA was also present at the opening ceremony of the tournament.

My partner and I were in a match, a ball was hit to us, I thought the ball was out, my partner called it in. What happens when my partner and I disagree?
Can we ask for a replay?
6.D.8. Any ball that cannot be called out is presumed to be in. The player cannot claim a let (replay) because the ball was not seen.
The opponents opinion can be requested, and, if the opponent says the ball was in or the opponent could not see it, the ball must be declared in.
6.D.9. Players should not request a let (replay) because they were not sure the ball was out or in. In this case, benefit of the doubt goes to the opponent.
6.D.10. In doubles play, if one player calls the ball out and the partner calls it in, then doubt exists, and the ball must be declared in (except that any player may appeal a call to the referee in an officiated match).
