President's Message - Shirley Shepherd

Pickleball is exploding in popularity all over Canada. Many tennis clubs, golf clubs and fitness centres have included pickleball in their facilities. There are more new pickleball clubs and groups, indoor and outdoor pickleball courts and Places to Play. Some schools have included pickleball in their P.E. curriculum. Thanks to our Ambassadors and experienced players for teaching new players, organizing demos, clinics and tournaments and promoting the sport into other communities.

More younger players are playing pickleball including University students and families with teenage children. Younger players cannot find places to play because most community centres only have pickleball programs for seniors. Some PCO Ambassadors and players have requested their centres to add new evening and weekend pickleball programs for younger players.

Many pickleball clubs have started their local pickleball tournaments. Some Pickleball tournaments have raised funds for charity organizations. Pickleball Kelowna raised $1100 for the Food Bank, Vernon Pickleball Club raised $1100 for the Cancer Society and the Hospice House. Metro Vancouver Club raised $1600 for the Lions Clubs International.

A lot of new pickleball clubs have formed, such as: Kamloops Pickleball Club, Salmon Arm Pickleball Club, Vernon Pickleball Club, Fraser Valley Pickleball, Metro Vancouver Pickleball Club, Mountainside Pickleball Club, Penticton Pickleball Club, Powell River Pickleball Club, Comox Valley Pickleball Club, Cedar Height Pickleball Club, Salt Spring Island Pickleball Club, Brantford Pickleball Club, Hamilton Pickleball Club, St. Thomas Pickleball Club and Kitchener-Waterloo Pickleball Club.

This year there are more pickleball clubs, players, courts and tournaments.
Each year the tournaments are getting larger with more participants. Pickleball Palooza Tournament by Fraser Valley Pickleball had 132 players. Vernon Pickleball Tournament had 120 players. Byrne Creek Leos Charity Tournament by Metro Vancouver Club had 142 players. Pickleball is no doubt the fastest growing sport in North America!

**Referees Clinic**

Referees are a critical part of any successful tournament and are always in demand. Here’s a great opportunity to learn how to become a good pickleball referee and give something back to the game you love. This 2-hour clinic, put on by experienced referees, are for players of all skill levels, as well as former players who would like to stay involved in the game.

Scheduled for Sunday, May 24th, 10:00 am, at the Fuller Lake, Chemainus (outdoor) pickleball courts - sign up below.

The only fee will be to cover printing costs for a (condensed) rule book and other relevant material given to each participant - probably no more than $5.00 each - to be collected on the day.

Scheduled for Sunday, May 24th, 10:00 am, at the Fuller Lake, Chemainus (outdoor) pickleball courts - sign up here:

**DATE:** 2015-05-24 ( Sun 10:00AM - 12:00PM PDT )

**LOCATION:** Fuller Lake Pickleball Courts, Chemainus, BC
This month Pickleball Canada Organization would like to showcase Nancy Stern, who has earned 4000 tournament points in 2014.

Nancy Stern - Nanaimo B.C.

My first exposure to pickleball was the fall of 2009 when after a recreational badminton session, I saw Dee Pitcher setting up nets in the gym and hitting the pickleball. As a true pickleball ambassador, Dee put a paddle in my hand and had me playing. So, in January 2010 while vacationing in Arizona I learned the rules of the crazy game called pickleball. With the sun, the fun and the social aspects of pickleball evident, it didn’t take me long to realize this was a great sport to get involved in. After two months of outdoor pickleball in Arizona, I found the indoor game through Nanaimo Parks and Recreation programs. My first tournament was in Surrey B.C. in 2010 and I have participated in tournaments throughout Arizona, Vancouver Island and the Lower Mainland over the last few years. It has been a lot of fun working my way through each of the pickleball skill levels, starting in the 3.5 division and early this year receiving a USAPA tournament rating of 4.5. I have met many new friends who not only have helped me improve my pickleball skills but have been great competitors as well.

Since retiring from teaching in 2012, I spend my winters in Mesa, Arizona. I love to keep active and enjoy mountain biking with my husband Harvey, pickleball, tennis and slo-pitch. I am now an executive member of the Mesa Regal Pickleball Club and an active member of the Nanaimo Pickleball Club. I love introducing the game to new players and have been volunteering time to help with lessons and clinics through Nanaimo Parks and Recreation and our club in Mesa. As well, this is my second year as Vancouver Island North Zone 2 Pickleball Coordinator for the B.C. 55+ Senior Games.

“Pickleball has provided the opportunity for me to keep fit, make many great friends and share a love of the game with others.” It’s a great sport and a superb way to have fun with friends. See you on the courts!

students teamwork, planning and leadership skills that are vital in their futures. Aside from external community events we also have many in school events such as the Midnight Vigil, International Orientations, Valentine's Day Rose Sale, and Seniors Tea. Leo Club has worked with countless organizations within our school and internationally, allowing students the opportunity to work with people from many diverse backgrounds. We are also grateful for the many years of guidance and support from our Lions International leader PZC and Past District 19A Leo Liaison Lion Glenn Cho.

The students volunteered for the tournament in many capacities. They could be seen assisting at the registration desk and the food service location at lunch and snack times. Students were selling daffodil pins to raise money for cancer research and selling raffle tickets to raise money for the tournament. Wherever help was needed the students were there!

A Message From the Tournament Director

On behalf of the Metro Vancouver Pickleball committee and myself, we would like to sincerely thank everyone for your understanding, support, donation, volunteering, participation, and guidance in assisting us in delivering a fun filled and memorable event. With your enthusiastic cooperation and the generous donation of the sponsors we found success!

The sponsors that we wish to acknowledge are: All String Sports, Cookies of the Course, General Paint Venables branch, Staples, Poplar Management Group, and Imperial Trophies, and a special thanks to Desmond Lai for his donation of $500 and his inspirational plea to those who are in a position to donate a little from their children's inheritance fund for a worthy charity of their choice.
The results are posted in the pickleballtournaments.com site and gratitude to the continual work from PCO President Shirley Shepard and Denise Griffin, the pictures of the winners and the Tourney will be posted on the PCO site soon. (pickleballcanada.org)

Thank You to those who sent in your valuable feedback! It's always great to incorporate new ideas or continue existing practices to improve future tournament experiences, especially if we are to promote and grow the game of Pickleball in our community.

In the 2 days we successfully delivered 467 games in the two days, with over 310 games on Saturday in both singles and doubles categories. A bit challenging but we managed to complete them with just 40 minutes over our anticipated time.

Despite a few minor glitches, I believe the committee achieved some of their other goals for the benefit of the players, such as fun and fellowship, guaranteed more games per player in each bracket, minimal wait time between games, double elimination playoff format, increased rookie referee participation, billeting offerings, effective communication, and early Sunday completion for those out of town participants. Also, the food was yummy and more than we would have all expected.

Personally I like to express my deepest gratitude to my committee members Peter Darvill, Danae North, Al Yeo, Fion Chou, Ashley Chang, Terri Welsh, Yoram Zer, and Idan Zer. Also, a big Thank you to Marco Jankowiak for your invaluable guidance and the support from your club, the Fraser Valley Pickleball association.

Of course, many many Thanks to Judy Fujiki and your Byrne Creek Leos for arranging the facility, setting and cleaning up the gyms and preparing us those amazing lunches and treats throughout the entire tournament. They were tireless in graciously hosting everyone and insuring that there was always something at the food tables, each day of the tourney.

Without all of your cooperation, support, and assistance, I probably wouldn't have survived the journey unscathed and our tourney would not have achieved such success.

Again, Congratulations to all the winners and participants! Together, as ambassadors of the game, I am confident that we can quickly grow this silly sport we call Pickleball!!!

The web page and a newsletter was created on 26 February 2015. Originally a small group was formed in early 2014 in Europe Amicale Fayence. Led by Pierre Obozinski who discovered the sport during a stay in Canada, the group has gradually developed to achieve a small fifty players. These formed the initial core of the association.

Their website shows that they play in Callian and the Ferrage.

**Getting Creative in the Comox Valley**

The Comox Valley recently formed an Association to form a new club with a future goal of new outdoor courts. We have already signed up 135 enthusiastic members. Our recent Social seen 100 members came out to play and share a Potluck supper.

A member designed these table center pieces which we sold as another money raiser.

Question:
At what point can you enter the kitchen after you hit the ball?

9.C. A fault will be declared if, in the act of volleying the ball, the player's momentum causes the player or anything the player is wearing or carrying to touch the non-volley zone or touch any non-volley line. It is a fault if the player's momentum causes the player to touch anything that is touching the non-volley zone, including the player's partner. It is a fault even if the ball is declared dead before the player touches the non-volley zone.

9.E. A player may step on the non-volley line or enter the non-volley zone at any time except when that player is volleying the ball. There is no violation if your partner returns the ball while you are standing in the non-volley zone. A player may enter the non-volley zone before or after returning any ball that bounces.

9.F. A player may stay inside the non-volley zone to return balls that bounce. That is, there is no violation if a player does not exit the non-volley zone after hitting a ball that bounces.
Pickleball Canada has decided to have 2 National Championship tournaments for 2015...one in the West and one in the East. The Pickleball Canada National Western Tournament held in Kelowna will be skill based (not age-group based) and be played outdoors. This is a Pickleball Canada/USAPA sanctioned tournament that will use IFP rules.
