2013 A Banner Year for Pickleball Canada Organization

What a year! What amazing growth we have experienced in pickleball communities across Canada. It has been said that "a community means strength that joins our strengths to do the work that has to be done. A circle of friends. Some place where we can be free". (quote by Starhawk)

Pickleball embodies these simple principals. Pickleball Canada is the vehicle that drives these principals and helps to make possible the social and health benefits this endearing sport gives us.

Pickleball is here to stay. Take a look at our accomplishments in 2013:

PCO Membership : increased from about 539 in 2012 to 700 in 2013.

Website ads - increased from 3 to 6 ads.

Sanctioned tournaments: increased from three in 2012 to four sanctioned tournaments in 2013.

Club Memberships: a new initiative started in July 2013 with two Club Memberships netting about 100+ new members.

Places to Play: about 50+ new Places to Play in Canada on indoor and outdoor courts.

National Tournament: number of participants increased from 165 in 2012 to 230 in 2013.

Tournament Points: number of players with Tournament Points increased from about 20 players in 2012 to 80 players in 2013.

Skill Rated tournaments: some tournaments in B.C. have introduced skill rated events including the BC Senior Games.

Clubs and Groups: many more new clubs and groups are forming in many provinces across Canada.

Ambassadors: the number of Provincial Ambassadors has increased. In B.C. Area Ambassadors increased from 19 to 22. Saskatchewan has a new Provincial Ambassador.

All in all, 2013 has been a good year for PCO and with your continued support we look forward to continued success!! *Submitted by Shirley Shepherd*

PICKLEBALL CANADA'S TOP POINT EARNERS

Last month we were able to give you some interesting facts on two of the three First Place finishers on the 2013 PCO Tournament Points list. All three tied for first place with 3200 points

This month we are very pleased to recognize and congratulate the other First Place finisher, Jennifer Lucore from Oceanside, California.

Jennifer has been a great supporter of PCO and the PCO Nationals. Jennifer is a fantastic player and a fantastic person as well!

JENNIFER LUCORE 3200 POINTS

Her first exposure to pickleball was in 2007 when she was vacationing with her family and met up with her parents, Bob and Bev Youngren, in Bend, OR for a fun family tournament. There she saw how all ages can compete and have a great time together. She attended the first USAPA Nationals in 2009 for a mini vacation and to just watch her parents compete. In 2010 she started playing and from there caught the love and

passion for this game and the people that play. Through pickleball, Jennifer has been able to travel and meet great friends from around the country; and even internationally (Yay Canada!)

Her personal life: She is an entrepreneur and a marketing consultant. Married with two girls - both currently in college. She tries to play pickleball twice a week, and a bit more if getting ready for a

big tournament.

"I am so loving this great sport of ours, the people are the best with the biggest hearts everywhere I go.

PICKLEBALL AWARDS:

USAPA Nationals V 2013 - GOLD Open Doubles (third year in row), SILVER Open Singles, GOLD 35+ Mixed, SILVER 35+ Doubles.

2013 and 2012 Pickleball Canada Nationals - GOLD Open Singles and GOLD Open Doubles
USAPA Nationals 2012: GOLD Open Singles, GOLD Open Doubles, GOLD Singles 19+, GOLD Doubles 35+, GOLD Mixed Doubles 35+.

USAPA Nationals 2011: GOLD Open Singles, GOLD Open Doubles, BRONZE Open Mixed Doubles, GOLD Singles 19+.

" Besides Nationals I have medaled in various other tournaments in the US. I enjoy playing with my hometown club: North County Picklers in north San Diego county - wonderful competition any day of the week! Safety tip: Safety is a culture.

Every day we perform activities that have inherent hazards. It is important that we give careful consideration to these hazards to reduce the risk of injury.

Pickleball Volunteer of the Month

Mike Carter-Thompson Okanagan Pickleball Enthusiasts

Talk about a fast mover on and off the courts! Following an introduction to pickleball in Oliver, BC in October 2012 and some fine tuning in California in January 2013, Mike Carter has been burning up the courts and promoting pickleball in several Okanagan communities.

Mike was an avid, competitive racquetball player until a serious knee injury sidelined him over 10 years ago.

Pickleball has given him a new focus on staying active. Like badminton, table tennis, volleyball and squash the transition to pickleball came naturally to Mike. He believes that this type of sport is "in his blood" as he loved the sport immediately. It became second nature to Mike to introduce new people to pickleball and coach players with his abundance of knowledge and experience in doing the same with racquetball.

Like the people in California, who welcomed him with open arms even though he had just started to play the game, he has been busy encouraging new players in the communities of Oliver, Okanagan Falls, Kaleden and Summerland. When he returned home from California it took him two weeks to make contact with the Director of Okanagan Falls Recreation Centre, Janet Black and start a pickleball program. Janet Black enthusiastically promoted pickleball in the community and wrote a grant application for equipment such as portable nets, balls and paddles. If you are visiting Okanagan Falls, a beautiful lakeside community, be sure to drop in and visit Mike and his fellow

pickleball enthusiasts. I had the opportunity to visit Mike and the Okanagan gang this past summer with my husband Gord and we had a blast. They are great people and very warm and enthusiastic. Being PCO Ambassadors ourselves we encouraged Mike to take a look at the benefits of PCO membership.

But Mike didn't stop in Okanagan Falls. He visited and promoted pickleball in other surrounding communities such as Kaleden, Summerland, Oliver and Osoyoos. In Osoyoos he teamed up with Carol Metcalf, PCO Ambassador for the Osoyoos area.

This is how he successfully created the Thompson Okanagan Pickleball Enthusiasts Club and became an active promoter of Pickleball Canada Organization.

He organized the inaugural Osoyoos Pickleball Tournament with Carol, a PCO sanctioned event on November 30-Dec 1, 2013 which was a great success. The Thompson Okanagan Pickleball Enthusiasts now have 74 members and the Club has joined Pickleball Canada. Mike says, "The forming of TOPE and organizing tournaments comes naturally to me. I have been doing that half my life.

I have been in sports over sixty years or more."

Mike Carter is now Pickleball Canada's Area Ambassador for Osoyoos and continues to volunteer pickleball demos and clinics in the Okanagan area.

A big thank you and congratulations to Mike for a job well done! Submitted by Dave Shepherd, Edited by Denise Griffin

Pickleballers Give Back (Ontario)

FOOD BANKS RECEIVE MORE THAN PICKLES

Did you know that Food Banks welcome donations of cleaning supplies (personal hygiene and household cleaning supplies)? After learning about the need of these supplies, the 19 participants in the recent Ontario Whitby @ Brooklin Pball Club and the 32 pickleballers in the Kingsway Ladder League's Red and White Fun Tournaments, collected approximately 220 personal hygiene and household cleaning supplies for 2 centres in the Durham Region: All Saints Anglican Church's Food Bank in Whitby and Simcoe Hall Settlement House in Oshawa. Both of these centres were so appreciative of these welcomed items. On the day the donations were delivered to one of the centres, the Christmas hampers were being given out. Immediately, the volunteers at the centre placed 1-2 cleaning supply items in each box as a "special gift" item for the families. One of the directors of the centre said, "These will be so welcomed. What a great idea. Thanks."

Food Banks welcome all sorts of cleaning supplies, including boxes of tissues; they especially like those small bottles of shampoo and lotions, plus soap, from hotels and cruise ships.

So, when you do your next linen closet or bathroom cabinet cleanout, gather up all those unused toiletries and donate them to your local Food Bank. They take the small sized containers and make up "toiletry bags" to give out as "specials" all year. Of course, all other cleaning supplies are very welcomed too. *Submitted by Carol and Bruce Doughty Provincial Ambassadors*

Pickleball Saskatchewan

We had a potluck get together before some of our snow birds flew south. We lost quite a few of our players however not to worry, lots of people are still interested in pickleball. All five facilities we play at during the week are filled to capacity with enthusiastic pickleball players. Like our province we are growing.

Kelowna Picklers having fun and contributing to the community

This is where Pickleball started in Kelowna. Not all of our players are there because they are snowbirds.

We had a lasagna dinner with bowl of Chilly and a Caesar salad with bread, drinks and home made lemon pie for only \$5.00 (June Padley cooked and arranged it all). She announced yesterday that they made a \$50.00 profit and donated it to the Salvation Army Food Bank. That is pretty amazing in itself.

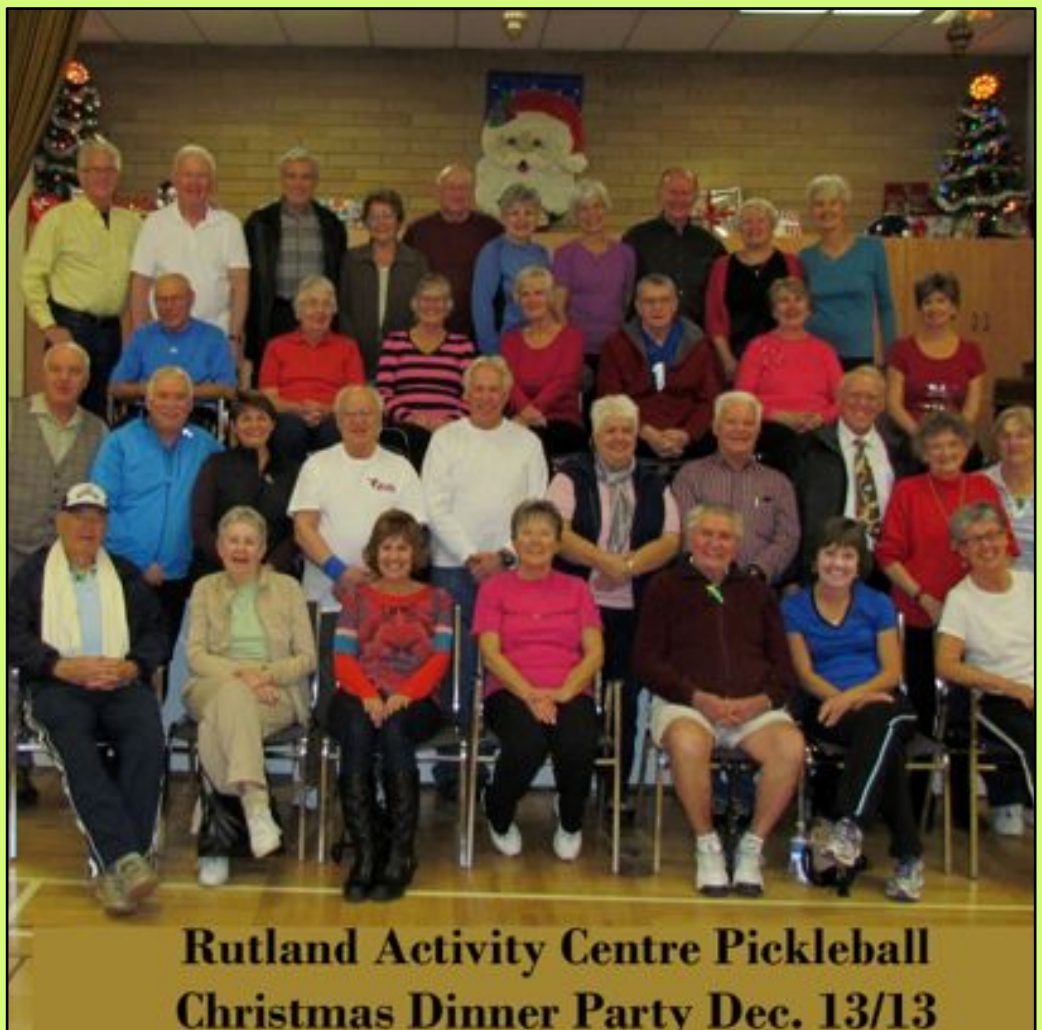

June is the President of Rutland Seniors Activity Centre, an ex-pickleball player who we all love. She is the lady in the second row from the bottom, on the right, 2nd one in wearing a red sweater. The lady beside her on the right is Lynn Callon, secretary and excellent Pickleball player, Lynn's husband Mike is standing beside me top left (me in yellow shirt).

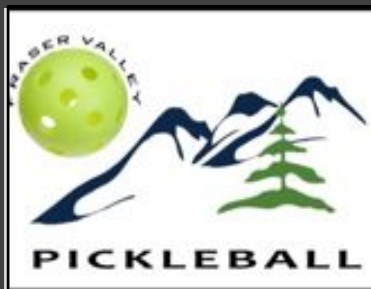

It is a wonderful group of players, friends and enthusiastic people.

One lady commented: ***"Coming to Pickleball is like coming home, everyone says hi and are so glad to see you."*** Just one of the benefits of our great sport and keeping seniors active.

It is a joy to be part of it.

Fraser Valley/ Lower Mainland Pickleball Tournaments a Reality

Last month we introduced a working group of younger pickleball players who have a vision for the development of a rotating schedule of competitive tournament play in the Fraser Valley/Lower Mainland of British Columbia.

This month we have the pleasure of announcing that Fraser Valley Pickleball is on their way to achieving their desired outcomes. The leadership group has worked very hard to identify partners, possible venues, tournament formats, means of registration, setting up a website, costs of running a tournament, volunteer call out, and possible sponsorships to name a few challenges.

A strong partnership with Pickleball Canada Organization will benefit both organizations. Fraser Valley Pickleball has applied for PCO tournament sanctioning for two scheduled tournaments. Pickleball Canada assisted the group with the development of a player waiver form. Once approved, the sanctioning will provide liability insurance for all PCO members who register for the tournaments. Winners of tournament events who are members will receive points that will be kept on record by PCO. In addition FVP(Fraser Valley Pickleball) will record these same points to identify the top players playing in this tournament circuit.

Pickleball Canada Organization will benefit as each tournament will be advertised as a Pickleball Canada

Sanctioned Tournament that follows IFP Rules. Players will be encouraged to become members of Pickleball Canada.

To date 2 tournaments have been scheduled. These tournaments are skill-level tournaments. Players who are not rated can use a self-rating based on IFP rating descriptions. Ratings are important because they are used to seed players within events.

Graduation Day at Walnut Grove Recreation Centre

Every Thursday since early November introductory drop-in beginner pickleball clinics have been offered at the Walnut Grove Recreation Centre. These drop-in sessions were set up in partnership with Alicia Stark, Programmer at the Rec Centre and Gord and Denise Griffin, PCO Ambassadors. The drop-in format has worked well as it is flexible, and players can join in at any time. The Rec Centre advertised through emails to members and created posters that were distributed around the community.

Gord and I talk up pickleball wherever we go. Right now we are wintering at Fort Camping, Fort Langley, BC in our motor home and it has been easy to draw people who want to stay active into this fun sport.

Before we knew it there were 12 players joining in. Most of the participants had never heard of pickleball. Some of them had experience with a racquet sport. The most difficult thing for them to learn was the 2 bounce rule but they have been great sports and persevered. All of them love the social aspect of the sport and the connection with each other. There have been a lot of laughs and everyone helps newcomers.

On December 19th these 12 amazing pickleball players celebrated. They had volleyed, dinked, lobbed, and smashed their way to pickleball "graduation". Each player earned a certificate, cheese and crackers and of course sweet dill pickles.

On January 2, 2014, due to player requests, a second session of introductory drop-in pickleball clinics has started up. All of the players from the first session want to continue to come. Some of them would like to try playing on Wednesdays or Fridays as well with the veteran pickleball players.

Pickleball Canada is very pleased to welcome 34 new members from the Osoyoos Pickleball Tournament on Nov 30 - Dec 1, 2013. Special thanks go to Mike Carter from Oliver, B.C. who was the organizer of the Club membership for the Thompson Okanagan Pickleball Enthusiasts (TOPE) and the Osoyoos Pickleball Tournament. TOPE has about 40 members who joined PCO in October, now it has added 34 new members for PCO. The Osoyoos Pickleball Tournament was a sanctioned tournament that required all players to be PCO members. The following question was sent in by a player:

Question: Can the ball touch the centre line and outside lines on a serve and be good? I know it cannot touch the non-volley line.

Answer: Any served ball landing on the baseline, centre line or sideline of the receiving court is good. A served ball landing on the no volley zone line is a fault on the server.
