**Subject:** Certificate of Insurance Applications

---

Pickleball Canada's insurance broker has informed Pickleball Canada that many Certificate of Insurance (COI) applications are being declined due to errors in the application.

The most common error is that applicants put the name of their Pickleball Club in the Additional Insured area on the application. This part of the form is reserved for the facility/entity that the club is using for their programs.

Please ensure each of your clubs are aware that to not enter the Pickleball Club or themselves as the Additional Insured.
