**Nominee Name: Laurie Bonten (Manitoba)**

**Executive Bio:**

I am a Senior Wealth Manager and Founder of Enhanced Wealth Management in the fastest growing independent Investment firm in Canada, Wellington-Altus. I advise clients on their retirement, tax and estate planning along with managing their investment portfolios. I was an avid tennis player but due to 2 rotator cuff injuries, I sadly had to stop, but then I found a new passion in pickleball. We have a cottage in Kenora, Ontario where I play during the summer. In the winter, I play daily in Palm Springs, mid-December-May. My club thinks I am possessed with my love of the game. It is tougher to play in Winnipeg as we have very few facilities, which I hope we can change. I have been on the board of Tennis Canada, Special Olympics (SCF-MB) and most recently I was the Chairperson for the Manitoba Human Rights Commission for the past 3 years.
