Executive Bio:

With over 35 years in the energy industry, Véronique is an accomplished board director, senior executive and oil & gas expert with domestic and international work experience. She is recognized for her strategic leadership and operational excellence with highly developed business acumen and top-notch ability to engineer, negotiate and implement mutually beneficial solutions.

As acting CEO of ISH Energy, Véronique led a successful company transformation, boosting profitability and shareholder returns. At the Alberta Energy Regulator, she led regulatory initiatives that delivered several hundred million dollars in savings for the industry while maintaining high standards of public safety and environmental protection. Previously, she held executive roles at TotalEnergies in Canada stewarding corporate development, major projects, joint ventures and mergers and acquisitions. For the prior 15 years, she held various upstream operational and business development roles in France, Venezuela, China, Indonesia, and Scotland with increasing leadership responsibilities and strategic focus. Véronique has served on boards of public and private oil & gas companies, contributing to governance, risk management, compensation, nomination and sustainability initiatives. She currently sits on the boards of Frontera Energy Corp. and PETRONAS Canada Energy Ltd. where she is member/chair of the People and Culture committees. Until December 2024, Véronique was chairperson of the Alliance Française de Calgary, a non-profit cultural and educational organization dedicated to promoting the French language and Francophone cultures in Calgary through language instruction, cultural events, and community engagement.

Véronique holds dual citizenship in Canada and France and is fluent in both English and French. She is a member of the Association of Professional Engineers and Geoscientists of Alberta and of the Institute of Corporate Directors.

Véronique started playing pickleball as an amateur two years ago. She seeks to serve on the Board of Pickleball Canada to promote safe and inclusive participation across the country, support the sustainable growth of the sport through strategic partnerships, and advance fair, transparent, and technology-driven VAIR/DUPR rating systems that strengthen competition integrity and player development.
